

## New recycling centre set for go ahead

by Tom Glover

assessed with officials carrying out flood risk, transport and cost assessments, mapping and land surveys and conservation studies.

The assessments found no significant risk of flooding and no evidence of a historic anthrax burial pit on the site. It was also judged that the Broomhills Meadows Site of Nature Conservation Interest (SNCI) would not be directly affected by a waste management centre.

While some councillors are pleased with the result, others fear that after a long build up the county council is now rushing into a decision.

Bridport Town Councillor Karl Wallace said: "I totally agree that the waste transfer station is needed and I agree it is needed quickly but this is the wrong space. This has been 14 years in the running and now they are galloping ahead and they face lots of potential landmines.

"Some may say I'm being alarmist but that part of the road is a trunk road and it's not meant for local traffic. There is the potential for large traffic hold ups and a very high risk of more accidents on that road.

People who are queuing in traffic get impatient and take more risks and this will lead to accidents.

"There is a risk of flooding, affects on biodiversity, potential for further development, the possibility of anthrax on that site, the affect on local tourism.

"If it does go there I would also want a written guarantee that there will be no incineration on the site as if there was, with the south westerly winds we get, it would blow everything right over the town.

"The site is within one kilometre of the World Heritage Site but if we see further development then we potentially risk losing that status.

"We have to look at all the possibilities. Do we want another blot on the landscape?"

The current HRC in South Street only has planning consent until March 2013 and is currently offering a reduced weekend service.

The new Waste Transfer Station is expected to save the taxpayer £450,000 year, currently paid to West Dorset District Council because their vehicles travel to Wareham to dispose of waste. With this in mind, West Dorset District Councillor Keith Day believes it's time to settle for the "least bad" option.

**CEO of Clipper Teas, and motorcycle enthusiast, Tony Revill-Johnson speaks to the View from this week about why he thinks we are a nation of tea lovers and why he would like to have dinner with Martin Luther King.**

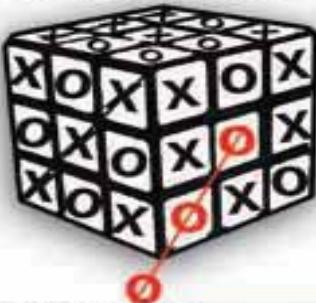

A Geordie by birth, Tony moved around the country as a child and lived in the South East of England before moving to Cornwall five years ago.

Tony now lives in Launceston with his wife and their two dogs and travels to Beaminster most days, often staying overnight at the Bridge House Hotel.

With a background in the food industry Tony became a part of Clipper when the company was bought from its original owners Mike and Lorraine Brehme in 2007.

This week Clipper were celebrating winning ten Taste of the West Awards for their range of teas.

### ■ WHAT first attracted you to the South West?

It's a fabulous place to live and it's a great place to work. We used to live in the south east and I remember when we moved down here I got letter from my health insurance company saying our premiums had gone down by 40 per cent, which I think is a tribute to the lifestyle.

### ■ TEA or coffee?

Both, I have to say that when I wake up in the morning I can't do without a good cup of strong coffee but it's quickly onto a good cup of tea. It depends on the time of day as well. I try to drink the hot chocolate a little bit less because I have a bit of a sweet tooth, but it's great in the evening absolutely.

### ■ WHAT is your favourite brew?

My favourite brew would have to be our fairtrade everyday tea, it's just such a lovely bright strong cup of tea. It comes from some of our best fairtrade estates in Africa and India so for me it's the everyday tea served with milk, no sugars and a biscuit please.

### ■ WHY do you think we are a nation of tea lovers?

It's part of the national psyche and it's our best-loved drink I think. It's comforting and refreshing, those are the qualities that people look for in tea and what makes Clipper special is its really good quality and value for money and we do the right thing by operating a fairtrade company. People trust us to be natural fair and delicious.

### ■ WHAT are the benefits of drinking tea?

Rehydration, principally, but with things like green tea, which is becoming more and more popular, you are getting those additional health benefits from the antioxidants.

There is such a wide range of tea now from herbal infusions through to standard teas, speciality teas and earl greys. It offers refreshment, taste and something for everyone.

body, it's not just about a standard black cup of tea anymore.

### ■ WHY do you love being a part of Clipper?

Living and working in Beaminster you have a really genuine group of people who are thrilled to bits to work for Clipper, not just because it's a successful company but because we do the right think ethically with all our suppliers. We've got a great area, with great people and we're very engaged with the local community and it just makes it a lot of fun. It's much less like a job and more of a lifestyle choice almost, it's just a fun thing to do.

### ■ WHAT do you love about motorcycling?

It's the freedom, that's the adventurer in me. It's just good to get out and to travel around Europe, North Africa, Russia, all over the place. I like to explore new things and new situations.

### ■ WHAT has been your favourite places to visit on your bike and where would you still like to go?

The Austrian Alps and the Pyrenees were fantastic. If I was fit enough, brave enough and had enough time and money then I would like to do the long way round journey that Ewan McGregor and Charley Boorman did, but I'm none of those things so I'll stick to the Pyrenees.

### ■ WHAT was the last book you read, film you watch and CD you listened to?

I've just finished a book called Lustrum, which was about the Roman Empire. The last film I watch was Goldfinger, I like James Bond and it's a bit of escapism. The last album I listened to really depends, if it was yesterday then Paloma Faith but at the weekend it would have been Pink Floyd, Dark side of the moon, so quite a mixed bag.

### ■ WHO would be your three dream guests at a dinner party?

I'd look for somebody inspirational, I'd love to hear the thoughts of Martin Luther King on what it meant to struggle and do the right thing for the people, which kind of chimes a little bit with Clipper in trying to do the right thing. For some easy on the eye female company I'd have to say Marilyn Monroe and thirdly Hannibal. I'm an eternal optimist and believe that doing the right thing should be enjoyable but should be tough as well.

# Bradpole music festival raises £1,300 for charities

LET THE MUSIC PLAY | Tinkers Cuss entertain the early evening crowd

A MUSICAL extravaganza at Bradpole's 'Event 3' raised £1,300 for charities at home and abroad.

An estimated 450 people attended the third event which featured live music from a host of local performers including Ribbon Man, Simon Leech, Pickwick, Lauren and Mike, Jamie Leigh, Lucy 9mm, Mitch Norman Band, Tinkers Cuss, Elijah Wolf, Dan Shackell Trio, Will Ferris & Simon Swarbrick, Chris Deacon, Granny's Attic, B.B. Tim and Orpheus.

The eight-hour outdoor concert was once again held in the field opposite The King's Head at Bradpole and raised funds through an entry fee, a licensed bar, barbecue, lamb roast, cakes, stalls and a raffle.

Money raised on the day will be split between the Street Children of Calcutta, the Bridport Burma Appeal and the Fisherman's Arms Day Centre.

Organiser Fel Moore said: "All of the musicians and helpers gave their time free for the event, so I would

like to say a big thank you to everyone, it would take too long to mention everyone, and a special thanks to all those who attended to make the event so successful.

"The musicians and technical crew were as usual fantastic and are looking forward to doing it again next year, we will probably go for a weekend in late June so it should be a little warmer.

"Finally a big thanks to all our current sponsors, Hive Beach Cafe, Fowler Tool and Plant Hire, Sicor Bridport, The King's Head at Bradpole, Cain's Farm Foods, Steve and Anita Chilcott, Peter Wilson PA and Chesil Theatre Supplies."

Organisers are looking for a major sponsor to cover legal fees, such as insurance, for next year's event.

If you are interested in sponsoring next year's event, or you would like to volunteer as a helper or performer, contact Fel Moore on 01308 459001.

BRIDAL MARCH | The wedding party are led to Holy Trinity Church

## Wedding parade

■ IT was a nice day for a white wedding as bride Rose Poole led her guests to Botherhampton to marry her 'Mr Wright' last month.

The rain stopped and the sun shone as 150 guests walked in procession to Botherhampton's Holy Trinity Church for the wedding, led by bride and groom Rose Poole and John Wright.

The wedding was followed by a reception in the garden of Nordons House, the couple's home. Her daughter Jessica Mudford and the groom's daughter Liberty Wright attended the bride. The pageboy was the groom's son, Jude Wright.

In a break with tradition the groom's 'best woman' was Julie-Ann Foster. The couple will go on honeymoon later this year.

# Broomhills site looks set for green light

### Continued from page one

"I believe that there is no totally 'ideal' site available in or near Bridport, every one that has been considered so far has some problems with access, safety or has local residents objecting to its proximity," he said.

"In my opinion, as no site will be considered 'best', Broomhills could be said to be the 'least bad' option. If it is selected - and the access, environmental and road safety issues are resolved - I believe Broomhills should serve Bridport well."

"It must be remembered that the South Street site is on 'borrowed time' and has a limited life. Therefore it is essential that another purpose built site is agreed and constructed quickly for the benefit of the people of Bridport."

Despite reservations from other councillors, Bridport Town Councillor Ros Kayes said she was pleased that a thorough assessment of all the sites had now been carried out.

"I am overjoyed that the county council took on the strong arguments put by myself and Councillor Coatsworth last year with regard to consulting properly on a range of sites rather than precipitately assuming that Gore Cross was the only option," she said.

"Gore Cross was the wrong option for a whole range of reasons and I am glad that DCC have undertaken proper, robust and detailed research which has established that."

"Broomhills will now have to go through the scrutiny demanded by the planning process. Bridport needs a waste transfer site and soon, so I hope the right decisions are taken to allow this to happen as soon as possible."

The Broomhills report will seek member agreement from the DCC cabinet today (Wednesday) to progress with a planning application for a waste management

facility at Broomhills, and confirmation of the junction improvement arrangements to be provided.

The junction improvements could see a priority junction with a right turn lane off the A35, however, the Highways Agency and Dorset County Council's Highways Authority, have expressed a strong preference for traffic signals at Broomhills.

The report also seeks agreement to conclude negotiations with the landowner to purchase an option on the land.

Steve Burdis, Dorset Waste Partnership Director (DWP), said: "A waste management facility in Bridport is vital to any future development of waste services in the west of the county. Providing a centre at the earliest opportunity remains a priority for the partnership."

Steve Burdis, Dorset Waste Partnership Director (DWP), said: "A waste management facility in Bridport is vital to any future development of waste services in the west of the county. Providing a centre at the earliest opportunity remains a priority for the partnership."

"Investigations show that no major issues have been identified which would prevent a successful planning application being submitted for Broomhills, although costs of development are likely to be significant.

"Actual costs cannot be fully assessed until more detailed design work is undertaken but preliminary estimates indicate it could be around £8m.

"This cost is considered comparable to development costs of the other two sites (Gore Cross and Miles Cross Two) shortlisted in September 2010.

"Although the DWP manages waste disposal functions on behalf of Dorset County Council, the county council is still responsible for major policy decisions

# New approach launched to drive down local crime

DORSET Police has unveiled its latest tool to tackle rural crime – a 3.5 tonne tractor.

The tractor – complete with flashing blue lights – has been loaned to Dorset Police by Zetor UK at no cost to the taxpayer.

As part of Operation Countryside, the tractor – an 85 horsepower Zetor Proxima – will be used as a display to raise awareness of rural crime across the county at upcoming shows and events.

Operation Countryside has been supported by the National Farmers Union (NFU), M J Fry Agricultural Engineering, Zetor UK, NFU Mutual, the Country Land and Business Association (CLA) and Porter Dodson Solicitors & Advisors.

Dorchester and Sherborne Neighbourhood Inspector, Les Fry, said: "This tractor will be used as a demonstration tool to raise awareness of rural crime in Dorset.

"The tractor has been supplied to us for free, with no costs to Dorset Police or the tax payer.

"We will be displaying it at shows and events in Dorset where we aim to engage with rural communities to make sure they do everything possible to reduce crime and make themselves less likely to become victims of rural crime.

"We hope this partnership will bring to the community's attention the increasing cost of rural crime.

"We want the support of rural communities to help combat criminals in their areas. Crimes such as theft of lead, scrap metal, heating oil and diesel are on the increase as fuel prices rise.

"Through Operation Countryside, we hope to encourage people to take all the crime prevention steps that they can, such as asset marking and using tracking devices.

"People should also consider installing CCTV where appropriate and sign up to initiatives such as Stop That Thief and Stop That Oil.

"We also want to encourage people to consider calling the police should they see any suspicious activity."

Mike Fry, of M J Fry Agricultural Engineers, said: "Running a company with very close connections to the rural community, I get to see first hand the cost involved both

in financial terms and the loss of time related to rural crime.

"A stolen tractor means that vehicle cannot work when required. A stolen machine means that the farmer cannot do the job when he needs to, so the knock on effects can be significant to the running of a business."

John Howden, Managing Director of Zetor UK Ltd, said: "Zetor UK Ltd are pleased to be part of this venture launched by Dorset Police.

"We feel that any project aimed at saving the farming community from any further cost and avoidable worries, mirrors our ethos exactly."

Robert Lasseter, NFU Dorset County Chairman, said: "Rural crime is up by 17 per cent and tractor theft by 8 per cent.

"This exciting initiative is about raising awareness of self help schemes for members, such as Stop That Thief, Farm Watch and Stop That Oil.

Rob Fox, from Porter Dodson Solicitors & Advisors, said: "Porter Dodson's Rural Matters team works closely with a large number of farmers and landowners across the county and we are only too aware of the cost, inconvenience and stress that rural crime causes."

# Colfox celebrates GCSEs success story

■ ABBIE Davies, Lara Keating, Elle Poole and Lulu Woolner pick up their results

THE best ever GCSE results recorded by the Sir John Colfox School have put them well above the national average.

The pass rate improved for the third year running, with 88 per cent of students achieving five A\* to C GCSE grades.

The record results rose five per cent from last year and are well above the national average of 69 per cent.

"I am really delighted to be announcing a third successive year of improving results", said Headteacher Kay Taylor.

"These are the best re-

sults the school has ever had."

Results for early entry GCSEs in Year 10 were also excellent with 43 per cent of grades being A\*/A.

In English Language and Maths the results were 10 per cent above the national average.

Overall 63 per cent of students achieved five A\* to C grades including English and Maths which is an improvement of 12 per cent on the results of 2010.

For the first time this year the school also introduced GCSE Italian, 100 per cent of students

achieved A\* to C grades in this subject.

"To see students reaching their potential and achieving the grades they hoped for is the most satisfying thing for any teacher" said Kay Taylor.

"I am immensely proud to be headteacher of a school where students and staff work together to achieve such outstanding results.

"It was definitely a job well done by staff, students and supportive parents."

## Open day at the Meeting House this weekend

THE doors of the Quaker Meeting House in Bridport will be open to the public this weekend for a one-day event.

Visitors are welcome to explore the medieval cottage building from 10am to 4pm this Saturday, September 10th.

Tea, coffee and soft drinks will be on offer and Friends will be able to answer any questions about the old buildings.

Suzanne Finch, author of 'A Fine Meeting There is There', a history of the Meeting, said: "It is very rare for medieval cottages, clustered around a courtyard, to have survived in this way,

especially with their outdoor staircase."

Visitors on the day will be encouraged to go down the passage at the rear of the building leading to the burial ground, which dates from the turn of the 19th century, and is still in use today.

There, a ceramic plaque, created by members of the Meeting, forms part of the Peace Garden, which was opened on August 6th as part of the commemorations of Hiroshima Day.

The burial ground and peace garden sit in an informal garden with views over to Botherhampton.

# Cycle challenge raises £600 for Mencap

AN all day cycle challenge, completed by Co-operative Pharmacy Manager Gabriella Horvath, has raised more than £600 for the Mencap charity.

In the eight-hour cycle, on a static bike outside the pharmacy, Gabriella covered 117 and a half miles.

Staff at the pharmacy showed their support by collecting donations. Brid-

port Leisure Centre, where Gabriella attends the fitness suite every morning before work, had loaned her a static exercise bike for the challenge.

"I was very pleased, it went very well," said Gabriella.

"It was great to see how people reacted as they came past, I had a really good response.

■ PEDAL POWER: Co-operative pharmacy manager Gabriella completes her cycle challenge

"I'd like to thank everyone who donated money and the leisure centre for donating me the bike for the day."

The challenge was a fundraising effort for the Co-operative's chosen charity for the year, Mencap.

## ViewLetters

Send your letters to [tom@pemedia.co.uk](mailto:tom@pemedia.co.uk)

THE following letter was written in response to the article 'Future of Hughes Mental Health Unit under threat' published on Wednesday, August 24th. The Hughes Unit Group Supporters (HUGS) have been campaigning to save beds at Bridport's mental health unit.

DORSET Healthcare University NHS Foundation Trust and representatives from NHS commissioners in Bournemouth, Poole and Dorset attended a meeting with the Hughes Unit Group supporters (HUGS) to discuss how best to engage with service users and carers on the options for transforming mental health services in the Bridport area.

The aim of the project is to develop a comprehensive crisis response and home treatment service in line with best practice and evidence, that increases the choice for individuals who need these services across west Dorset.

Many people at the meeting supported the principles of these

changes, however, there was anxiety about the impact on the existing services.

In response to this, the consultation process was explained and the views of individuals about their experiences were carefully listened to.

The suggestion that the development at St Ann's Hospital in Poole is linked to the changes proposed is not correct and this was also explained at the meeting.

The Dorset Mental Health Forum has been involved in the development of the model of care from the start of the project in September 2010 and we hope that HUGS will also be fully involved in the project as it progresses.

Details of how to get involved in shaping these services will be published in October.

# Local author gives U3A talk

AT THE September meeting of the Bridport and District U3A, local author Philip Algar spoke about his book *Goodbye Old Chap: A Life at Sea in Peace and War*.

■ **BUSY BAKING:** Emily Haylock has been busy baking cakes for her fundraising event this weekend.

# *Emily's CMT fundraiser on Saturday*

THE fundraising efforts of a Bridport girl who suffers from a rare genetic disease will continue with a cream tea and cake afternoon this weekend.

Emily Haylock is one of only 23,000 people in the UK who suffers from Charcot Marie Tooth (CMT), a condition that affects the nerves in your legs and arms, known as the peripheral nerves.

Earlier this year, along with fellow sufferers, Emily raised more than £7,000 for CMTUK by canoeing along the length of Thirlmere, a reservoir in the Lake District, and then cycling back.

This week Emily has been busy baking cakes ready for her next big fundraising event.

Emily's Cakes, Muffins and Tea  
afternoon will be held on Saturday

day (September 10th) at the Salt House, West Bay from 3pm to 5pm.

Entrance is £3.50, which will entitle you to cake, as much tea as you can drink, a fun quiz with prize and other entertainment.

All takings will go to CMT UK to fund further research into the condition.

# family at Symene

■ HAT TRICK: West Bay Sea Cadets (from left) Ben Roach, Oliver Day and Dominic Day star in the hat trick game

■ OPENING ACT: Organiser Richard Balson (left) welcomes local personality Jim Rowe who opened the fete

■ LOOKING FOR TREASURE: Best friends Katie and Chloe (both 9) hoping to unlock the treasure chest

ONCE again the Symene Sports Club Fete proved that its claim to be the biggest of its kind in Dorset is not an idle one.

by Stuart Broom

Early signs suggest that it matched last year's record of raising around £8,000 which will be

used for the upkeep of the clubhouse as well as distribution to local charities including the Mark Broad Memorial Fund.

Again they were lucky with the weather, with sunshine for most of the event at what is one of the most innovative and entertaining fetes in the South West.

The organisers' chairman Richard Balson commented: "Once again another superb day with plenty of sunshine. "The car park for which we have to thank Crepe Farm for allowing us use of their land once again,

was chock-a-block, and I must also thank George Streathfeild for cutting the grass.

"Without their help we would have had trouble catering for so many vehicles.

"I think everyone enjoyed themselves and it looks like we have made as much profit as we did last year which is fantastic."

The fete was opened at noon by auctioneer and

local personality Jim Rowe. He welcomed the crowd, before wandering the site and joining in the fun.

There were the usual games for the younger children such as a slide and the tea cups, whilst the day started with the ever popular car boot sale with 120 vehicles.

There were chances also for dads to challenge their children on golf and football games, and

wellie winging for the first time.

The Steve Smith Roadshow kept the crowds dancing and you could vent your anger on the Crockery Smashing stall, whilst Julia's House, Brainwave and the 1st West Bay Sea Scouts had stalls for the first time.

Jules the Entertainer provided the young children with something to shout about whilst the South Dorset Section Vintage Motor Cycles were on hand to show off their pride and joy and swap stories with envious dads and granddads as well as members from the Mini Club.

One of the highlights was the Giant Sack Race. This involved a team of four people sharing a giant sack, supplied by Jewson's, which following four heats was one by John Warren and his friends who donated the £100 prize to the Joseph Weld Hospice.

Mr Balson added: "I would like to thank everyone who supported the event, and hope they enjoyed the wide variety of entertainment that was available.

"I would also like to thank everyone who contributed to its success.

"Not only all the volunteers that helped on the day, but our sponsors and all the other people that helped in loaning items or just helping advertise the event."

## Suggested solutions in Rights of Way report

A REPORT suggesting solutions to the current problems on Rights of Way has just been published.

The grandson of Arthur Hobhouse, Henry is quoted as follows: "My grandfather, Arthur Hobhouse, chaired a Government Committee in 1947 which became the foundation of The National Parks and Access to the Countryside Act, 1949.

"The recommendations in his Report on Rights of Way were never fully implemented and subsequent legislation has made the situation worse.

"The 2011 report lays out the current problems and suggested solutions. Rights of Way are neither highways nor do they transfer the ownership of land from the landowner to another body.

"The damage inflicted upon individuals, landowners and homeowners by the present system includes suicide, bankruptcy, heart attack, stress related injury and divorce directly consequential upon anxiety arising from the obligation to have to fight officials in a large, governmental organisation such as a county council and its allies.

"The solution lies in the introduction of local decision-making, flexibility and the ability to take into account the needs of agriculture, amenity (tourism), convenience, wildlife, health and safety, and privacy (Rights of Way can pass through people's gardens).

"At the moment, none of the above can be considered within the decision-making process and yet my grandfather's committee's intention was that all of the above should be carefully considered.

"The annual cost to the country of the existing manpower-intensive structure is substantial, estimated on the top side of £100m for a corrupt system representing a lawyers' charter to print money, contributing nothing to the country's benefit or wealth."

● THE Hobhouse Report is now on sale at The Book Shop, Bridport (Tel 01308 422964, thebookshop@surfree.co.uk) priced at £7.50 (plus postage and packing).

# Training centre looking for new students

by Tom Glover

TRAINERS at Bridport's West Dorset Skills Training Centre are looking for new recruits following the graduation of a number of its students.

The centre held an open evening on Friday of last week to showcase the work of young people who attend and to mark the success of their students with a graduation ceremony.

Among the success stories on the night was Lewis Shearing who achieved 11 qualifications in the eight months he attended the centre. He is now working on a childcare apprenticeship at Sunny Days nursery. Lewis praised the personal approach of the centre.

"They have helped me a lot, it's very useful to have this centre here for young people," he said.

"They help you in a lot of ways, they give you confidence, they help you to socialise better and I've found it better than school."

"At school you have so many teachers but here it is a lot friendlier. I'm looking forward to my apprenticeship now but I will be coming back here to let everyone know how I am doing. I'd definitely recommend it to anyone who is struggling to find work."

Another star student is Charlotte Burwood who is currently working on her twelfth qualification at the centre. Charlotte admits she was often truant from school but

**TOP STUDENTS** | Skills Trainer Pia Rose Gretton-Ost, Lewis Shearing, Charlotte Burwood, Jimi Smith and skills trainer Becks Garner

since starting at the centre in September she has only missed three days of training.

"This place has helped me quite a lot," she said. "It's more laid back here and you are allowed to do what you want to do."

"I'm hoping now to go to college or find a job and this place has really helped me to do that."

Skills Trainer Becks Garner said the evening was about celebrating the excellent results of their students.

"On average people are leaving with eight to ten certificates which is phenomenal considering many of these people may not have done well at school or found that school wasn't the right place for them," she said.

"We work with smaller numbers and not everybody has to come in and do a full 12 to 16 hours a week, you can come in and do one course, you can come in and do ten courses."

"The whole idea is to make it as flexible as we can possibly manage. In this day and age everybody is fit into units and made to fit a system, we are trying to get round that and make the system fit the person. So far in the last few years that has proved to work."

Becks was also keen to recruit new students: "Young people have just had their GCSE results, some would have not done as well as they would have liked, or as yet don't know what college to go to or what to do."

"This is an opportunity for people to come in and look at doing level one GCSEs, topping their grades up or focusing on a particular college course which they might need to get the grades for."

The training centre is a partnership project opened by Bridport Local Area Skills Training (BLAST) and the Nacro charity.

BLAST chairman Arthur Woodgate said the success of the skills centre had been down to its positive working partnerships: "BLAST has been able to achieve its main objective of creating sustainable local training opportunities, thanks in large part to the co-operation and enthusiasm of our many partners."

"Nacro is a perfect example: no programme for 16-19 year old - 'NEETS' - existed in this area prior to BLAST and Nacro opening the West Dorset Skills Training Centre, and the fact that a majority of the young people involved are now self-referring is testimony to the quality of the work being undertaken."

"This has been supported and extended in no small measure by our own 'ASPIRE' initiative, led by co-ordinator Charlotte Storey."

Two of the centre's major training partners, Yeovil and Kingston Maurward Colleges, are now working with BLAST to create two new centres of training excellence and a further partner, Windmill Training, is already developing Miles Cross Farm at Symondsbury as a training base.

Arthur added: "In under four years we have been able to move from a situation where we had no local skills training centres, to one where we have four. Without our very positive partnerships, this would never have been possible."

# Young Performers' musical raises £1,400 for scholarship

A SELL OUT performance of 'The Perfect Teenager' at Bridport Arts Centre raised £1,400 for the Bridport Young Performers Scholarship (BYS) at the weekend.

The fundraising performance resurrected, for one night only, the Frankenstein tale of 'The Perfect Teenager', written by Colfox School drama teacher Gavin Bray and his friends whilst at university.

The musical comedy gives a modern take on the Frankenstein story, combining it with the moral dilemmas faced by parents and

teenagers. The youthful production not only boasted a young cast, but a director, vocal coach, choreographer, stage manager and band members all under the age of 24.

Directing the show was 18-year-old Jodie Glover who established the BYPS earlier this year and will be one of the first to benefit from the scholarship when she starts her first year at the Italia Conti Academy later this month.

Aiding Jodie with the production of the show were singing and voice coaches, Lauren Glover and

Viv Ironside, and choreographers Alice Kiltie and Jane Spelman.

The star of the show was undoubtedly mad scientist Bill (Alex Hall) who led his fellow "Adults" in their plan to create the perfect teenager in order to lead their children onto the right path in life.

The transformation from uptight parent to cackling psychopath, complete with dictator style speeches and James Bond villain encounters, was a joy to watch and had audiences in fits of laughter.

He was ably supported by his fellow parents with extra laughs added by his tea obsessed wife Rose (Tracey Webb) and his male sidekick Richard's (Roy Bowskill) pursuit of free spirit Val (Lucie Trollope).

Playing the teens were yet more talented performers, as young as 12.

Cameron Love (Terry) and Hannah Whaley (Jane) gave an excellent portrayal of the perils of young love, which was equally funny and poignant.

Making Terry's job of seduction even more difficult was little brother Charlie whose brief appearance was made memorable by young actor Theo Röhrkasten, who also did a fantastic job play-

ing guitar in the band when not on stage.

The rest of the cast helped demonstrate typical teenage characters such as the irritable bully Natasha (Tanya Remnant), the geeky misfit Sophie (Hattie Amos) and the promiscuous Mandy (Holly Parkes).

Pete, the Perfect Teenager, was brought to life, literally and metaphorically, by Alec Poore.

Pete's struggle to bridge the link between teenagers and adults was played perfectly and Alec's acoustic performances towards the end of the show were some of the strongest musical numbers on the night.

With the scholarship group, understandably, trying to run the

show on a tight budget they showed great creativity in the production with lighting, projection and smoke effects used to create the right atmosphere for each scene with the lack of stage set not once detracting from the performance.

The only minor hiccup on the night was a few forgotten lines but the overall performance more than made up for the understandable slip-ups.

Money raised from the performance will go towards the BYPS which supports young performers with their tuition fees. For more information on the Bridport Young Performer's Scholarship please visit [www.byps.co.uk](http://www.byps.co.uk) or email [info@byps.co.uk](mailto:info@byps.co.uk)

# Bridport dance group have their eyes on the prize

A TEENAGE tap dance ensemble from Bridport have their eyes on a £250,000 prize after reaching the televised audition stage of Sky One hit show *Got To Dance*.

The group, who call themselves 'Fusion', are seven young dancers from the Bridport Youth Tap Dance Ensemble, an offshoot of the Bridport Youth Dance group.

Dancers Amy French, 16, Emily Meech, 15, Harry Poole, 15, Annie Pownall, 15, Kiarnah Rait-McDonald, 17, Marina Rennee-Cemmick, 16 and Laura Kate Thomas, 17, have been nervously waiting to hear their fate after their first audition, for the third series of the

show, in Bristol last month. Having been selected from thousands of hopefuls the group have now reached the televised London auditions where they will perform in front of an all-star panel of judges, made up of West End performer Adam Garcia, Pussy Cat Doll Kimberley Wyatt and street dancer Ashley Banjo, for the chance to win £250,000 and be named *Got To Dance* champions.

For their next audition the group will be performing a dynamic tap routine to Sing! Sing! Sing! at the dance domes in London later this month.

The tap dance, choreographed by local dance teacher, choreographer and founder of Bridport Youth

Dance, Nikki Northover, will combine American tap with jazz and Broadway.

Nikki said: "The dancers are so happy and excited to have reached the next stage of *Got To Dance*. They are a terrific and talented group of youngsters from Bridport and the surrounding localities who are passionate about dance and in particular tap dancing."

"I am very proud of them all for their commitment to dance, their sheer dedication, the amount of effort and hard work they have shown to get this far."

The group's next London audition will be on Thursday, September 29th. The show itself, presented by Davina McCall, will be in the autumn on Sky One.

# SPAR's pet day raises cash for Guide Dogs

PET lovers at Bridport's Spar store were raising money and awareness at a special one-day event at the shop last week.

The Bridport store is joining forces with others around the South West this year to help Spar raise £5,000 for the Guide Dogs charity, enough to get a guide dog for one person.

Shoppers had the chance to meet with charity volunteers and guide dogs at the Pet Awareness Day on Wednesday of last week.

Children had the chance to have their faces painted as their favourite pet and Simon Llewellyn was offering free samples of his Hot Diggidy Dog pepper sauce.

Glen Goodall, Trading Manager with Appleby Westward, the regional

distribution company for Spar stores in the South West and Pet Awareness Day organiser, said: "We were pleased to support the local community with an event while we also raised funds for a worthy cause."

"The event was an education process to explain the work of this worthy charity as well as a bit of fun."

Appleby Westward will be staging similar events at other SPAR stores throughout the region during the year in order to raise the required £5,000.

## Chris Rudge Renewable Power Systems

CHRIS Rudge Renewable Power have expanded their range of green generation products to keep up with the ever increasing demands of their customers. As well as keeping Sharp, Sanyo, Kyocera and Sovello Solar PV modules as current stock at the Seaton offices, they have now expanded into the Solar

Thermal area, offering packages for people looking for both technologies to be installed together.

New lower Solar PV installation costs for 2011 have proved to be popular, especially as this is last year the Feed in Tariff (FIT) will be at the current higher rate. From next April, the FIT will be going down by 7% a

year for new installations. Anyone having an installation this year will benefit from the current index linked payment for the next 24 years.

Solar PV systems can now be fully installed from around £6200 for a 1.3kWp system up to £12,500 for a 3.7kWp.

Chris Rudge Renewable Power also specialise in self contained 'off grid' battery systems for anyone who do not have a mains grid connection. These systems are tailor made for each installation, from a remote shed to a complete house or business. For any electrical requirements you may have, call Chris Rudge Renewable Power on 01297 306114 or go to the website at [www.chrisrudge.co.uk](http://www.chrisrudge.co.uk)

## Malabar Trading

▲ Suzani cushions from Uzbekistan

AS summer draws to a close our thoughts turn to autumnal hues and warm colours as in these hand embroidered Suzani cushions from Uzbekistan. Uzbekistan has a rich history of textile production illustrated in the hand embroidered cushions and larger panels used as wall hangings and in handwoven ikat silk. The ikat silk has been made into beautiful cushion covers for the shop. Many other products illustrate the autumnal palette, for example, the wonderful handwoven Turkish kilims, the woollen Kashmire throws and many of the block-printed bedspreads.

During the coming months there will be many new and exciting products arriving, some of which have been in production for the last few months. There will be cotton woven Indian dhurries as well as new quilts, and a new range of Japanese ceramics, and also warm woollen shawls and scarves for the cooler weather.

Malabar Trading is celebrating 10 years of trading and would like to thank all of the customers who have made this possible.

## Don't put off having that beautiful new kitchen

Times are tough but that doesn't mean you have to put off having that beautiful new kitchen you've been promising yourself. A kitchen facelift could be the answer.

By replacing the doors, drawers, and if chosen new worktops, appliances and accessories such as plinths, cornice and pelmet a completely new kitchen can be achieved.

Refurbishing your kitchen, rather than replacing it, is a much more cost-effective option. You get the kitchen of your dreams for a fraction of the price. But counting the pennies doesn't mean you have to compromise on quality. Price is important but it's not the only factor, good service and quality products still count.

Whether it's a simple

door swap, a more extensive facelift or a complete replacement kitchen, Dream Doors offers the same personal local service, backed up by a national brand, and delivering a top quality product.

We offer a FREE, NO OBLIGATION home visit to survey your kitchen, visit our showroom at 5 Damers Road, Dorchester or call 01305 268003 today.

# Internationally renowned Fairey Band come to Beaminster

THE INTERNATIONALLY renowned Fairey Geneva Band will perform in Beaminster next week - fresh from competing in the British Open Championships.

The band will make their annual visit to the town for the 32nd consecutive year before heading off to compete in the English National championships next month, where they hope to retain their title.

The Stockport based band have been visiting Beaminster since 1979 playing a varied programme of music to suit everyone.

Performances of music from the Pirates of the Caribbean movies will be on this year's playlist along with Berlioz's Le Carnaval Romain.

Founded in 1937, The Fairey Aviation Band, as it was called then, achieved many musical successes under the direction of the late Harry Mortimer CBE, who was their musical director for 33 years.

The band have been crowned British Open Champions 16 times, National Champions eight times, Granada Band of the year twice and are past winners of the BBC Best of Brass award.

The Fairey Band have appeared regularly on TV and radio over the years and received wide public recognition following the Acid Brass project, where they combined with Turner-Prize-winning artist Jeremy Deller to perform and record classic acid dance aethems such as 808 State's pacific and KLF's what time is love.

The band's biggest success was in 1993 when they claimed the treble, winning the National and British Open titles and the European Crown.

The band will be performing at St Mary's Church, Beaminster on Sunday, September 18th at 2.30pm.

Tickets are £10 and are available from Symonds and Sampson estate agents, Beaminster or on 01308 862493. Proceeds from the concert will go towards the Beaminster Royal British Legion. Organisers wished to thank all of the sponsors who make the event possible each year.

# Whitetop Mountaineers to play two Dorset dates

## Stompin' Dave brings the American duo to Dorchester and Lyme Regis

STOMPIN' Dave brings more great music to Dorset, this month as he presents The Whitetop Mountaineers from Virginia, USA at Dorchester Art Centre on Friday, September 23rd, and The Marine Theatre, Lyme Regis, Tuesday, September 20th.

The Whitetop Mountaineers is made up of the young duo, Martha Spencer and Jackson Cunningham. They both live in Whitetop, Virginia. Their shows feature old time country duet singing, up-tempo old instruments as well as high energy Appalachian dancing. Jackson and Martha have played concerts, festivals, workshops, and dances throughout the United States, UK, Ireland and Australia including Merlefest, Smithsonian Folklife Festival, and The National Folk Festival. Their shows feature old time country duet singing, up-tempo old time fiddle, clawhammer banjo, bluegrass mandolin and guitar instruments as well as high energy Appalachian dancing.

Martha Spencer has won competitions on banjo, fiddle, and vocals, she grew up on Whitetop Mountain in a musical family; her uncle Albert Hash was a legendary fiddler and instrument maker that gained widespread attention for his music and craft. He had a great impact on old time music and taught countless musicians and luthiers. Her parents, Thornton Spencer and Emily Spencer, are the leaders of the Whitetop Mountain Band and are well known and re-

spected musicians and teachers of old time music. Her great-grandfather, Bud Spencer, won many big dance competitions such as the Whitetop Folk Festival in the 1930s.

Jackson grew up in southern Oregon also in a musical family. Since moving to Virginia, he has drawn much attention for his powerful traditional playing and high lonesome singing. He plays mandolin, harmonica, clawhammer banjo as well as singing lead and harmony parts.

Support comes from local favourite, Bridport's own banjo and fiddle whiz Stompin' Dave who is organising and promoting a short tour for the Whitetop Mountaineers across Devon and Dorset. Dave says "It's really exciting to be promoting and appearing with touring performers from the USA for the first time, the concerts I've arranged with the Whitetop Mountaineers are sure to be very special events. It's a great pleasure to be supporting travelling, up and coming traditional musicians who come from an area whose music has inspired me so much personally."

Advance tickets for The Dorchester Arts Centre are £12, on the door £15. Available from Dorchester Arts Centre box office (01305) 266926 or online from [www.dorchesterarts.org.uk](http://www.dorchesterarts.org.uk)

### Former West Dorset MP to appear on BBC2 programme

MOST people under the age of 80 take their views of the LDV (Local Defence Volunteers), otherwise known as the Home Guard from the antics seen through the ever popular TV programme "Dad's Army".

Former West Dorset MP Sir James Spicer believes the reality is totally different.

He said: "Once rifles arrived (mostly from the USA), I am sure that if Hitler had invaded in 1940, we would have used them to good effect.

"Why do I say that? Because in 1940, at the age of 14 - adjusted to 16 - I served in a commando platoon of the Home Guard just outside London. I was the youngest by far in that unit, as most of the others had seen active service in the First World War and were mostly in their early 40s.

"Our role in and around London would have been to engage German Parachute troops. Had they landed we would have given a good account of ourselves.

The situation in Dorset was quite different. Evidence uncovered since the war shows that a major German force would have landed in the Lyme Regis area and then pushed inland.

"Pillboxes covered our beaches and further inland Stay Behind Units were formed with orders to attack and sabotage. We had one such team in Beaminster. So, although we might have lost in the end, I believe we would have given a good account of ourselves."

Sir James said it was against this background that he was delighted when the BBC asked him and others to remember those stirring times in a programme called "Reel History of Britain". It is to be shown on September 12th on BBC2 at 6.30pm.

Sir James Spicer is the author of "Jim's Journey".

442138 or online from [www.marinetheatre.com](http://www.marinetheatre.com) both events start at 8pm, with doors opening at 7.30pm

## There's a SalsaDX starting near you!

SALSADX - the fabulous, FUN Salsa workout craze that's sweeping the South West, is starting brand new classes at the MARINE THEATRE Lyme Regis.

Come and try a fantastic new Salsa aerobics class - Salsa DX. This high-energy workout, combines dance footwork with aerobic upper body movements, targeting problem areas eg. "muffin tops", hips, legs, bums and tums to get you back into top shape.

SalsaDX was created in 2006 when Devon Salsa addict Sonja Heigl, frustrated by the lack of exciting daytime fitness classes, teamed up with top Salsa expert Angus Peters, whose enthusiasm and love of all things Salsa was matched with a passion to show others a more exciting way to get fit. The routines are easy to follow and great fun to learn. The classes are also in line with the Government's recommendations that dance-based workouts are great for increasing fitness and energy levels. The music is a heady mix of pure Salsa, Latin Urban Hip Hop, & tropical rhythms combining to give a real "Salsa Party" feel. All this combines to give you a full workout for the body and mind, suitable for most abilities and guaranteed to put a smile on your face.

Absolutely no previous experience is needed for a SalsaDX class, we'll teach you all you need to know. However you will need a reasonable level of fitness and agility to enjoy the class to the max. It is recommended you wear the usual style clothing and trainers to start with though you may want to try shoes with a more "slipper" sole (eg jazz shoes) as you get more experienced.

Most classes are taught in 6 week blocks of sessions costing £25, but if you're not sure its for you come and try the first session for £5 then only pay the balance if you enjoy!

Numbers may be limited due to space, so call to reserve your place now by calling Lesley on 07767 816910 or 01297 624001.

# Poetry for Pleasure

by Frank McGarry

*Rank loosestrife clogs the banks of its stream  
And its paddles are cracked and greening,  
But it turns again to its meaningless chore,  
Though miller and carter and willing horse  
Take their part in its task no more.*

Forty years ago scientists were telling us we were heading into a new ice age. Thirty years later many were telling us the opposite. And that soon we may be eating grapes from Greenland. Whichever way it goes, here is some food for thought from the famous American poet, Robert Frost.

*FIRE AND ICE  
Some say the world will end in fire,  
Some say in ice.  
From what I've tasted of desire  
I hold with those who favor fire,  
But if I had to perish twice,  
I think I know enough of hate  
To say that for destruction ice  
Is also great  
And would suffice.*

WHICH do you prefer to be - the visitor or the host? This story is from Maggie Dunn, a 'View' reader from Sherborne.

#### KEEPING LOVE ALIVE AND WARM

*We visited a friend last year.  
His pretty cottage old.*

*He stood and grinned and let us in  
"I hope you like the cold!"*

*Our dear friend Tom then showed us round,*

*Our breath hung in the air.*

*"Let's take our tea outside," he said  
"It's much warmer out there."*

*The sunny garden thawed us out.*

*Tom took off gloves and scarf.*

*"I dress and undress all the time."*

*He murmured with a laugh.*

*"'Til Rosie left I had it all.*

*At first she used to tease;*

*Then one day up and left me, said,*

*"I'll go before I freeze."*

*We urged our friend to search for Rose,*

*'Twas all we could advise*

*Months passed and then a card arrived*

*From Tom - a nice surprise.*

*The message came from Tom and Rose:*

*Our frozen hands and feet*

*Have thawed out now we're basking in*

*The lovely Spanish heat."*

The ancient watermill in Lyme Regis has been lovingly rescued from dereliction by local vol-

unteers. Not every mill is so lucky. Local poet Margery Forester tells us a sadder story in this poem, which is featured in the "Dancing with Stones" anthology.

#### THE WATERMILL

*All the old men are gone who could recall  
The day the miller ground his last sacks of flour,*

*And how the horse leant forward in its traces*

*To pull the loaded cart beneath the arch*

#### Bracing the granary floor.

*How Jan the waggoner shook the reins and said  
"Cobbler, lad, us won't come here no more."*

*The floors have fallen. Their fissured walls*

*Are buttressed by nettle roots and suckering ash.*

*Even the sign: 'Danger. No trespassers'*

*Has crashed among the grasses.*

*Goats, tethered where the swallows have invaded,*

*Protest in panicked bleats whenever*

*Another degraded roof tile slithers down*

*To shatter in the weedy yard*

*In sun-dried apricot shards.*

*Only a forlorn window breaches*

*The place where once the millstones*

*Clenched the corn in rough embraces.*

*Yet up there at the valley head when rain has filled*

*The leat, the race begins again to trace its bed,*

*Tumbling replete downhill, and the old waterwheel,*

*Still stalwart against the granite wall,*

*Creaks slowly into life.*

*Then its racketry rhythm wakens the night -*

## BAND'S ROUSING END TO SUMMER SEASON

THE strains of 'Land of Hope and Glory' echoed across the Marine Parade last week, marking the end of a very successful season of summer concerts for Lyme Regis Town Band, a season which had begun early in July with the opening of the refurbished shelters.

As ever, a large and appreciative crowd provided strong support, particularly enjoying the regular children's spot, when youngsters are invited to come forward and join the band in playing a wide range of percussion instruments. For this final concert, Musical Director John Powell chose 'Is this the way to Amarillo?' and led his young volunteers on a conga to the band's lively accompaniment and the obvious delight of the audience.

Collections during these summer concerts have been very encouraging and will help provide the band with financial security through the winter months. Throughout the series, raffle tickets were sold in aid of band funds, organised by Val Mahoney, and it proved a hit with holidaymakers. The draw took place at the end of the final concert and the lucky prize winners were: 1st prize (£150) Ian Kirk from Alvaston, Derby with ticket number 1259, 2nd prize (£100) Sue May from Crewkerne, ticket number 1291, 3rd prize (£50) Heather Prior from Lyme Regis, ticket number 0951.

John Powell expressed thanks to all who had supported the band throughout the summer concerts. Gifts were presented to regular collectors Steve Mahoney and Ralph Herbert, to Ken and Ann Courtney for selling the raffle tickets and to band member Catherine Voysey, playing in her final concert before concentrating on her A level studies.

Following 'Land of Hope and Glory', the audience were invited to link arms for the singing of 'Auld Lang Syne' bringing the summer season to an appropriate close. Band members now return to regular Tuesday practices and their next concert is at Seaton Town Hall on Friday, October 7th.

The Training Band has continued to rehearse throughout the summer and anyone of any age interested in joining them will be warmly welcomed. There are also vacancies for experienced players and full details of both groups can be found on the band's website.

## Japanese myth Urashima Taro tells a story of lust, betrayal and loss

PREPARE to be spellbound by a poetic tale about identity and love, based on a Japanese legend from the earliest Japanese history book called Nihon-Shoki.

In return for saving a turtle, a poor young fisherman, Urashima Taro, is invited by the mysterious and captivating Lady Otohime, to stay in her palace under the sea. Promises of a life of eternal pleasure slowly turn into a nightmare as Urashima Taro's fate unfolds.

Inspired by Japanese aesthetics, 'Urashima Taro' fuses stunning visuals with human size Bunraku-style puppets and Kamishibai - a traditional Japanese form of paper theatre - the origin of Manga. Video projection, shadow play, puppetry and the actor combine to tell this fascinating story of lust, betrayal and loss.

Margie Barbour, Programme Manager said: 'Urashima Taro is a beautiful story and Rouge 28 are known for breathtaking performances. They combine puppetry with other performing art forms such as dance, mask, acting and story telling'

Urashima Taro is at Bridport Arts Centre on Saturday, September 10th, 7.30pm. Tickets cost £10, £9 members, £8 concessions, to book call the Box Office on 01308 424204.

## Eggardon Kite Festival

THE festival has been held for fifteen glorious years in all kinds of weather: Fair, foul and indifferent but only missing one year because of the threat of foot and mouth. It was originally started by a committee of Powerstock locals to raise money for Powerstock School, Powerstock Hut and the Weir Sports Club. In recent years the festival has expanded and now donates to other charities as well.

Eggardon Hill is an Iron Age hill-fort about four miles east of Bridport in Dorset. Built on chalk upland, it has spectacular views and on a clear day you can see across Lyme Bay to South Devon and Start Point. Around 43AD, the Romans forcibly removed the Iron-age dwellers from Eggardon.

In the 18th century, it was planted with a stand of pines, which are thought to have acted as a navigational aid for the boats belonging to the notorious Dorset smuggler Isaac Gullivor, who lived at Eggardon Farm. Since those days, sheep and cattle have enjoyed the views whilst grazing undisturbed except for the annual visit of the festival goers.

So if you want to see something spectacular this weekend get along to the Eggardon Kite Festival! See the advert on page 39 for more details.

Chris will be signing copies of his acclaimed book, 'Why Don't You Fly?' after the presentation.

on his incredible journey

SETTING out in May 2000, Chris Smith rode his bicycle 16,500 miles from Worcestershire to Beijing. For thirteen months his lungs and legs powered him into headwinds, across deserts and up to mountain passes (and a wonderfully indomitable, reliable and adaptable source of power they proved to be). He set out with neither accomplice, television crew nor satellite navigation.

How does it feel to trade domestic comfort and security for life as a nomad and to pare one's life down to the bare necessities? What is it like to push at the frontiers of one's physical and mental endurance? What is the effect upon the human spirit of struggling against hurricanes in the Gobi Desert by day and shivering alone in culverts at night? ## Hemstock festival bigger and better than ever

FOLLOWING the success of Hemstock '07, the team are back, aiming to make Hemstock bigger and better on September 17th.

This festival set on private land within the stunning rolling hills and lush countryside of Dorset is about providing the very best in new, progressive music, local delicacies, comedy and literature.

Hemstock is a non-profit organisation with all proceeds raised going to support Prostate Cancer Research and Mondo Challenge (a charity which focuses on providing schools and educative grants to remote areas of India).

From midday organisers intend to cook up a musical storm on the main stage by fusing eclectic flavours from Electro Swing, Jazz, Hip-Hop, Rock n Roll, Blues, Folk, Roots and Reggae.

As well as musicians and tents there will be stand up comedy, recitals from well known poets and authors infused with scrumptious local foods and cider.

All this take us right up to the grand finale, the headline act, followed by an outstanding fireworks display over the festival site.

This year's headliners are The Correspondents - Mr Bruce and Chucks, pictured below - who collaborate to

revamp vintage sounds for the modern ear.

Resuscitating sampled relics with squelchy synths over dusty drum loops they've depicted the trials and errors of Love, Lust and Loss over a foot-tapping toe curling amalgamation of Electro, Drum 'n' Bass, Swing and Boogie Woogie.

Starting out in November 2007, old friends Mr Bruce and Chucks, returned to London after a firm schooling at their respective Universities.

In Leeds, Mr Chuckles had been tinkering with the sounds of Hip Hop, Jazz and Dance music for several years, meanwhile further north in Edinburgh Mr Bruce exerted his vocal dexterity over Drum 'n' Bass, Breaks & Funk.

The unlikely pair cut their teeth at a few parties and decided to cement the live performance relationship in their makeshift recording studio. Since then tracks have been recorded, stages have been stomped and knees have hit nipples.

After their set the party will continue, with DJs dropping some of the most cutting edge sounds around.

## Sky high insurance creates road safety hazard for young drivers

Road safety charity the IAM is calling on insurance companies to overhaul their systems for calculating prices for young drivers, after finding that a search for car insurance quotes for an average 17 year old driver revealed the cheapest annual premium to be £7,091.38. The top price quoted was just over £9700.

This particular search – made on a popular price comparison site – was for the fictional 'Tom Stevens', with a date of birth of the 03/03/1994. He has held a full licence for one month,

and was requesting insurance on a 2007 1.1 Kia Picanto. He lives in the London Borough of Richmond upon Thames and claimed the car would be parked on the road. He has no previous claims or convictions and is in full-time education with a part-time job, and requested cover just for 'social' use.

Once Tom had been driving for a year, his cheapest quote dropped to £2528.55, on an otherwise like-for-like basis.

IAM director of policy and research Neil Greig said:

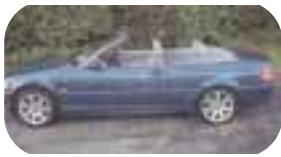

"Young drivers can only learn safer driving by prac-

tising it, but huge insurance premiums risk pricing them off the road. The challenge for the government, the insurance industry and road safety experts is how to balance the need for experience with the very real risk that young drivers pose to themselves and other road users."

"When an insurance premium is matching university tuition fees, innovative thinking is needed to reward the safest young drivers or spread the cost in a more manageable way.

"Many young people will need a car to get to work

## Renault on a charge at EcoVelocity with UK show debut of Fluence Z.E. Saloon

The first arrivals from Renault's Z.E. family are nearly here and eager buyers and showgoers in general will get the first chance to get up close and even drive the eagerly-awaited fully-electric Fluence Z.E. saloon at a public show for the first time at EcoVelocity, 8th to 11th September at Battersea Power Station.

The stylish five-seater, the UK's most affordable electric car, will be taking pride of place on the French marque's stand with Kangoo Van Z.E. during the four-day eco motoring festival. Renault will be offering test drives around the dedicated show circuit in the shadow of the former power station in two Fluence Z.E. and one Kangoo Van Z.E. There will also be two further Kangooons on static display, with a team of Renault EV specialists on hand to answer any questions about enjoying the cost and eco-living benefits of running electric vehicles.

The Fluence Z.E. is a four-door saloon that goes on sale in the UK during the first half of 2012, priced from only £17,850 on-the-road after the deduction of the £5,000 Plug-In Car Grant. Renault's innovative battery hire model via RCI Financial Services, which for Fluence Z.E. costs from £69.60 per month including VAT (based on 6,000 miles per year and a 3 year agreement), also removes any concerns about battery longevity and replacement cost.

Combining the comfort, safety, style and practicality of a traditional saloon, with the low running costs of an electric vehicle, Fluence Z.E. is sure to be a crowd-pleaser. It also comes well-equipped with 16" alloys, auto lights and wipers, climate control, cruise control, ecoMeter and Carmat TomTom smart satellite navigation. Unlike electric cars of old, it's also quiet, smooth and refined to drive, with ex-

cellent performance from its 70kW (95hp) motor, with 226Nm torque and a range of up to 115 miles.

Joining Fluence Z.E. will be Renault's Kangoo Van Z.E., the world's first electric van produced by a mass-market manufacturer. The affordable business tool is available in two-seat Kangoo Van and Maxi guise, or five-seat Crew Van, priced from only £16,990 excluding VAT. Monthly battery hire starts at £62 per month based on 9,000 miles per year and a four-year agreement.

Designed for businesses doing every type of collection or delivery journey, whether it be rural, suburban or inner city, it offers the same carrying capacity (ranging from 3 to 3.5m<sup>3</sup>), payload (650kg) and high standard of comfort as its equivalent internal-combustion-engined versions.

Information on Renault's other two electric vehicles launching next year – the unique two-seat Twizy and chic ZOE supermini, will also be available.

Andy Heiron, Renault UK's Head of Electric Vehicles, said, "Renault is the only manufacturer to offer a full range of affordable electric vehicles. With our first Z.E. due to hit the UK's roads in a matter of weeks, we're delighted to be showing off two of the family at EcoVelocity, so that people can see, touch and drive what we believe is the start of a new era in motoring.

"We're sure that everyone who gets behind the wheel will agree with many motoring journalists and industry experts who have rated the performance, space and lack of noise very highly on both models."

### VAG Specialists - including Seat, Skoda, Audi & VW

**CHRIS David, owner of The Corner Garage, is part of a third generation family owned business which is serving its incredible 75th year, which makes it one of the oldest garages around.**

At the Corner garage they believe in doing things the old fashioned way repairing vehicles rather than replacing them - of course where possible! and in particular specialise in the VAG range (VW, Audi, Seat and Skoda), which are small engine and low insurance cars that you will be able to see a selection of on their forecourt.

Not just a garage, they are also the only garage between Bridport and Crewkerne that serves petrol and also one of very few that actually serves you.

With three staff on board they are greatly experienced in repairing old vehicles and spend a lot of their time on rally and race preparation.

Situated opposite the Half Moon pub in Melplash the garage gets a lot of local, reliable trade who use the garage time and time again and have produced many testimonials which you will be able to see on the good garage scheme website of which the Corner Garage are members.

So sure of doing their work the right way they hand out to every customer an Industry standard service form which highlights all work carried out, a good garage scheme survey form for your opinions and because they are a female friendly garage they always tell the client what is wrong and even draw pictures to describe the fault fully.

So if you have a problem with your car, need some petrol or looking to buy a car pop in and see the Corner Garage or call Chris and the team on 01308 488238.

## HOUNDS STAGE LATE FIGHT BACK

Netherbury off to a flyer - but at a cost

## PREMIER DIVISION

CREWKERNE TOWN 1

SOUTH PETHERTON 1

REIGNING Champions survived a buffering at Henhayes and, in the end, will have been pleased to head home with a point.

Hosts Crewkerne, back in the top division after one season away, took a 24th minute lead when Jamie Spurle curled home a free-kick past new Pethy 'keeper Lee Holt.

Holt had a busy afternoon and made three superb one-on-one saves to deny Tigers' substitute Adam Swinnerton.

The point saver came via top-scorer Rich Hebditch who netted his eight of the season 20 minutes from time.

Crewkerne manager Nick Murphy was impressed by his back four of Chris Welsh, Ash Larcombe, Dan Baker and new skipper Lee Banks.

## FARWAY UNITED 2 WINSHAM UNITED 4

FARWAY United manager Andy Baily was "Quietly impressed" by newly promoted Winsham United after seeing his side slip to a 4-2 defeat at Eastlee Park.

Tom Stead put the visitors ahead early on only for Dylan Gair to level. Sam Symes restored the Winsham lead but Ernie Stobbs sent the teams into the interval all square at 2-2.

The second-half saw the Somerset side take control "We just didn't play at all, and they just mullered us" said Baily.

Henry Broome netted number three and Stuart Richards made the points safe.

## MERRIOTT ROVERS 2 PERRY STREET 1

MERRIOTT Rovers recovered from

trailing at the break to earn a first win for new manager Harvey Jennings.

Two goals from Vince Cornish gave Rovers the points.

## DIVISION ONE

BEAMINSTER RES 1 SHEPTON BEAU 1

LAST season's top-scorer Josh Hunter opened his account for the new season with the leveler as the two teams promoted from Division Two went head-head at the Memorial Ground.

Kris Hastings gave visitors Shepton Beauchamp the lead on the stroke of half-time only for Hunter to square things up 10 minutes from time.

## NETHERBURY 3 ILMINSTER COLTS 0

NETHERBURY'S impressive opening day showing was tempered by a snapped hamstring muscle suffered by stand-in goalkeeper James Sayers.

Sayers was forced off in the 15th minute and now faces a lengthy lay-off thought to be a minimum of two months.

Back to the action and new signing from Bridport Reece Bulman put the Ambers ahead. Ben Brook, back after a spell away from the game, added a second before the break and Tim Hussey rounded off the scoring in the second-half.

## DIVISION TWO

CHARD RANGERS 2 PYMORE 1

PYMORE paid the price for failing to convert a host of chances at Jocelyn Park.

"We should have been six up at half-time, and must have struck the woodwork at least four times in all" said manager Matt Tither who was forced to sit the game out with a

back strain.

Tither had to content himself with a solitary Chris Good strike before Rangers struck twice to turn the game around.

To sum up a frustrating afternoon for the Dorset side Ian Denty hit the bar with the last kick of the game.

## DOWLISH &amp; DONYATT 3 UPLYME 3

MANAGER-for-the-day Gavin Fowler was pleased to leave the Dowlish slope with a point, he said:

"I'd have taken that before kick-off, it's never an easy place to play, we also had two players drop out just before we left and only went with 12".

Adam Neale put the Swallows, going down the hill, one up at the interval. Neale pounced on a goal-keeping error to double the lead from an acute angle after the restart.

But dozing Dowlish woke from their slumbers and talented midfielder Lee Mears smashed home a quickfire hat-trick which contained a penalty.

Uplyme centre-back Stuart King picked up a groin injury and was thrown up front as the visitors looked to shore up their back-line. But King, who was having an outstanding game at the back, wasn't finished and he chipped the 'keeper to earn his side a hard-earned point.

## DIVISION THREE

WAYTOWN HOUNDS 3 MILLWEY RES 3

A LATE fightback from the Hounds resulted in them rescuing a point after they trailed 3-0 with 20 minutes remaining.

"We were terrible in the first-half, we were two down but it could

have been five and there was far too much bickering amongst our players" said manager Mark Hughes.

Words from the boss at the break seemed to sort things out and the team were much improved after the restart.

However Rise bagged a third and a defeat looked on the cards. But a series of corners eventually resulted in Leigh Hansford heading home the Hounds opener.

Substitute Shaun Wheeler, back in a Hounds' shirt after a period away from the game, lobbed the 'keeper for the second as the comeback gathered momentum.

Five minutes from time ex-Beaminster striker Tom Menaldino nodded home the points after his initial shot had been deflected.

Hughes selected Paul Watkins as his star performer closely followed by fellow midfielder Dan Dunford.

## DIVISION FOUR

UPLYME RES 4 CHARD RANGERS 3

AN injury to Rangers' Jake Miller cast a slight shadow over Uplyme Reserves' victorious return to the League.

Miller sustained an ankle injury seven minutes from time which required an ambulance. Although enough time had been played for the result to stand Rangers wanted to carry on and try to snatch a point as the score stood at 4-3.

Earlier, an even first 45 saw the teams 2-2 at half-time before The Swallows edged home with goals coming from Will Francis (2), Jamie Jones and Nick Bown.

INJURED: Netherbury stalwart James Sayers faces a lengthy spell of the sidelines.

DOUBLE: Will Francis scored twice as Uplyme Reserves marked their return to the league with a 4-3 victory.

ON TARGET: Leigh Hansford's header sparked the Waytown Hounds fight-back against Millwey Rise Reserves.

## RUGBY ROUND-UP

WITH KEITH JENKIN

## Encouraging signs in friendlies

WITH the League season in both the Dorset & Wilts leagues and the Southern Counties (South) Division not commencing until 10th September, most local sides undertook warm-up games of one sort or another on Saturday.

Although the results of these encounters certainly cannot act as a guide to the clubs' subsequent fortunes, the games themselves are generally of considerable value.

Most local clubs have been satisfied with both the turnout and the fitness levels of those involved and a general air of optimism pervades locally.

DORCHESTER would certainly have been satisfied with their narrow win at TIVERTON; while BRIDPORT would have

found crumbs of comfort with the way their young contingent put their hands up in their game at BLANDFORD. WEYMOUTH too would have been pleased to see that their eight is still firing on all cylinders after taking on a SWANAGE & WAREHAM side.

PUDDLETOWN'S season does not start until the seventeenth of September and they have arranged a game against WEYMOUTH 2nd who are in a similar position.

## PREVIEW

The newly relegated BRIDPORT first side commence their Dorset & Wilts League Division One (South) campaign with something of an acid test.

They visit the newly promoted ELLINGHAM & RINGWOOD, one of their longer

journeys and will certainly come up against a side that is "up for it".

It may well be that the home side will struggle to compete at what is for them, a higher level; but I would not rely on that surmise.

Bridport have not travelled too well in recent times. If they can rectify that failing, then they should return with a win.

DORCHESTER start their season at home, with OAKMEADIANS their opponents. The visitors have been something of a mixed bag in recent times and, while I expect a home win, it may well be a close contest.

WEYMOUTH'S first game is on the road, at BOURNEMOUTH 3rd. I remember watching the game at Weymouth last

season when the visitors were a young side who ran about a lot and scored a couple of good tries.

They were eventually subdued by the strength of the Weymouth eight however, and were starved of possession for much of a game that the home side won with some ease eventually.

I feel that the Weymouth pack may well prove to be the deciding factor once again.

The lower Dorset & Wilts divisions do not begin their respective campaigns until the following Saturday, although Puddletown do have a friendly game against Weymouth seconds as something of a warm up.

## MOTOR RACING FROM WISCOMBE PARK

## Double tops for Lillington, Blake and Thorne

TWO days of championship hill climbing saw a number of drivers net double victories at Wiscombe Park.

Chard's Stewart Lillington exhibited good pace during the Saturday meeting but when he left the track and deposited his two-litre Vauxhall Astra amongst the rhododendrons all might have been lost with his father Phil destined to take the win.

Fortunately for the electronics engineer there was no serious and lasting damage which allowed the combination to take a second and decisive run. Lillington junior quickly dismissed the incident and focussed on a second ascent of the 900 metre track in a time of 43.40 seconds to edge to second place by over one second.

The following day the margin of victory was just under one second over the Peugeot 205 GTi driven by Ian Joyce.

Others to take a brace of wins were Geoff Blake from Weymouth and Frampton's Rodney Thorne.

The former was dominant in the over 1800cc division of the Modified Specialist Production Car category in the two-litre Westfield SEi he shares with his father, Graham. Recent significant improvements to the engine left the duo quietly confident of a good performance. Blake junior did not

disappoint.

The first meeting of the weekend saw Blake claim the win over his father and mentor by over one and a half seconds.

The next day, following overnight rain, the track dried sufficiently for Blake the younger to take another victory with a climb of 41.77 seconds which represented a Personal Best on the east Devon course.

Engine maladies with the Judd engine of the Pilbeam MP58 single-seater brought about the decision from Rod Thorne to withdraw the car and 'take the dust sheet off' and substitute his MP43 sports racer which he and Colin Pook campaigned last season.

The duo soon became re-acquainted with the power delivery of the 5.0 litre Rover V8 motor and Thorne forged to the head of the Sports Libre class in front of the highly modified Sylva Striker of Doug Bennett.

The next day Bennett was again the Frampton garage proprietors nearest challenger but with warmer conditions and more heat in the track Thorne took the class on a time of 38.71 seconds to defeat Bennett by 1.69 seconds.

Although Lyme Regis driver Craig Moore

was unable to get his Ford Cortina Mk2 in front of the Escort in the Rally

Car class during the two events his determined driving ensured that he performed well against the class bogie time to amass sufficient points in the Bridge Tyres and Wheels Wiscombe Park championship.

This saw the motor technician elevated from third position, prior to the final two events in the series, to a provisional first.

This coming weekend (September 10/11) sees the final events in the Wiscombe sea-

son with the South West area of the M.G. Car Club attracting an eclectic selection of vehicles over and above the M.G. marquee on the Saturday and the National Hill Climb Association with an array of motorcycles including solos, trikes and sidecars the following day.

Admission details and further information available at [www.wiscombepark.co.uk](http://www.wiscombepark.co.uk).

## CAPTAINS AWAY WEEKEND

AS his year as Club Captain draws to a close Ray Farrell invited 40 club members and golfers from elsewhere to join him for an away weekend at the Vale Golf resort in Mid-Glamorgan.

Set in beautiful parkland the resort boasts two magnificent golf courses. On the Saturday the venue was the challenging Lakes course which, as its name suggests, boasts a significant amount of water surrounding and running across the course.

After an evening spent celebrating the successes of the days event the group reconvened to take on the Welsh National course.

The length of this course is its main feature but it also boasts a significant amount of water and bunkers strategically placed to catch the unwary golfer or wayward shot. On both days the players all found the courses challenging - much more so than home at Lyme Regis.

## BOB BUCKLER RACING

## Floods put paid to Ballygulleen's chances

TORRENTIAL rain with flooded roads around parts of Chichester greeted Bob Buckler's team when they arrived at Fontwell Park on Sunday.

The additional water on top of a watered course made the conditions impossible for Ballygulleen looking for another race in his comeback after a serious back injury in the 3½ mile FSB Data Services Handicap Chase.

Despite making a couple

of jumping errors he tired ½ mile from home in the very heavy conditions and finished a remote fourth.

Buckler said: "Having had no inkling of the weather conditions until we arrived, it was decided to race him, but the ground was completely not to his liking."

"He likes good, fast ground and whilst he kept in touch for a while he quite expectedly tired towards the finish."

## Bridport youth rugby training

RUGBY training continues for juniors at Bridport Rugby Club on Sunday mornings.

## Wessex league spot confirmed

by Brian Baker.

BRIDPORT'S Mens Indoor bowling team now have it confirmed they will again be in the coastal region of the prestigious Warners Wessex League, starting in October with several hundred pounds worth of prize money at stake.

The league attracts many of the country's top bowlers and Bridport are very much amongst the minnows against the likes of Dorchester, Moonfleet 2000 (Weymouth), Dolphin (Poole) Bournemouth and East Dorset (Christchurch).

But new Captain Brian Rumble is confident Bridport can compete well.

## Evening League

BERNARD Waterman, Brian Baker and Neil Stevenson-Guy's Suzuki's poor run looked

like continuing in the evening league as they trailed 2.7 against Tony Sharrood, Brian

Cattell and Andy Marsh's Enfield. Enfield failed to score over the remaining 10 ends though as the amazing Waterman, who played competitive soccer into his 50s, hit top form to lead Suzuki to a 21.7 win. Reg Dodds, Pat Geary and Ken Enticott's A.J.S. blitzed Ducati 25.6.

Champions-elect Roy Gill, Liz Walker and Ivor Parker's Yamaha just hung on to beat Ann Harris, Hugh Rees and Tony Symes, after Norton finished 1.3.2. Sue Caen, Brian Morgan and Edna Cumberland's Triumph and Sue and Brian

Walsh and Tony Harrison 20.8, 18.9 up against Honda and Harley's respectively. Morning League - no fixtures played this week.

## LYME REGIS BOWLS CLUB - FINALS WEEKEND

WITH PAUL MOFFITT

## Fine conditions for finals weekend

SATURDAY and Sunday saw the finals of the all the Club competitions, luckily completed in fine conditions but at times the elements were more conducive to sailing or kite flying. More of these finals later but firstly two league and one friendly to report.

The Ladies gained a very useful eight points at home to Blandford which helps to keep them clear of any relegation worries. The Mens 'A' team managed to secure six points against strong competition from Dorchester 'A'. Despite losing on two rinks, a fine win from Max Thorner's rink enabled them to scrape home by a single shot.

The friendly against Budleigh Salterton, which was played away, resulted in a win for Lyme by three shots. This means that Lyme keep the trophy for the time being, but the return match in a fortnight might well see the trophy heading back to Budleigh.

## Results:

## Dorset Ladies' Division One.

Lyme 62; Blandford 52.

J Moffitt, M Gillett, J Parsons, K Clissold 25-10; V Cozens, J Perry, J Kesterton, A Allman 18-24; H Dowling,

■ LADY CHAMP: Val Cozens lifted the Ladies Championship trophy after beating Ann Allman 21-13.

D Courtenay-Smith, N Stephens, C Barber 19-18.

## West Dorset Men Division One.

## Lyme 'A' 58; Dorchester 'A' 57.

M Knight, G Clode, D Pomeroy, B Parsons 13-16; G Broom, P Stephens, J Beadsley, M Thorner 27-11; J Irwin, J Moseley, D Perry, J Wells 18-30.

## Friendly:

## Lyme 96; Budleigh Salterton 93.

T Payne, C Clissold, T Poyner, E Skeemer 23-15; S Cox, J Moffitt, R Moody, Chas Barber 26-16; J Brown, K Gardiner, J Kesterton, P Moffitt 21-12; S Wood, R Carnan, R Edwards, K Clissold 11-22; Y Moody, A Brown, D Wood, Chris Barber 15-27.

## Finals Day Results:

Due to the withdrawal of Clare Barber from two finals the following titles were won by walkovers: Angela Rattenbury took the Ladies 2 Wood title & the Ladies Handicap Singles title went to Nola Stephens.

Both ladies had overcome strong opposition in order to reach their respective finals and thoroughly deserve their wins.

## Mens 3 Set Singles:

Paul Pomeroy overcame Peter Eagles by three sets to 0; 7-5; 9-3; 7-3. This score line does not reflect the immense battle which Peter gave Paul in this match.

The first set could have gone either way, and it is probably true to say that if Peter's opponent had been anyone other than Paul he may well have prevailed.

## Mens 4 Wood Drawn Pairs:

STEVE POMEROY & GEOFF COZENS 29; CHARLIE BARBER & REG WINTERBORNE 18. Some inspired back end bowling from Geoff Cozens was undoubtedly a big influence on this game.

## Ladies 4 Wood Drawn Pairs:

ANN ALLMAN & VAL COZENS 22; JUDITH MOFFITT & LESLEY BROOM 12. The match up front was a pretty even contest between Judith & Val, but on the day Ann outbowled Lesley at the back.

## Mens 2 Wood Singles:

GOFF CLODE 16; JOHN EATON 13. One of the few occasions that we have not seen Paul Pomeroy contesting this final, having won it eight times in the last 11 years.

Perhaps not so much Geoff winning but more a case of John losing this game. The game tied at 19 ends, Geoff picked up a single on the 20th end to lead John by a single shot going in to the last end.

Given every chance to snatch a win John failed to take his chances and gifted two more shots to Geoff in a game which really could have gone either way, given how nervous both these players were going into this final.

## Ladies Invitation:

JAN PARSONS & PAUL MOFFITT 22; DIANA COURtenay-SMITH & CHARLIE BARBER 10. Jan & Paul took their chances against strong opposition and in the end won quite comfortably.

## The 'Rocky':

BOB TURPIN 23; REG WINTERBORNE 14. Bob has now won this title for two years on the trot. Reg, who has been bowling very consistently, didn't seem to have the answer to Bob's nagging consistency and finally capitulated in this competition - which is only open to men who have reached the tender age of 70!

## Married Couples:

ANN & TREVOR ALLMAN 32; SUE & DAVE WOOD 11. Often referred to as the 'Divorce Stakes', this competition tests the mettle of blissfully married couples to keep their calm.

On the day Ann and Trevor proved too strong for Sue and Dave on what looked like quite tricky conditions.

## 2 Wood Mixed Drawn Pairs:

REG WINTERBORNE & ERIC SKEEMER 25; JAN PARSONS AND GEOFF CLODE 7. A win at the third attempt for Reg who, with partner Eric, showed no mercy in their comfortable defeat of Jan and Geoff.

## Fiflies:

LESLEY BROOM 21; JAN PARSONS 20. This one went down to the wire with Jan leading by a single shot at 20-19 and having the mat. Somewhat prophetically, Jan shook hands with Lesley before the start of this end although, in reality, there could still be two ends to play.

Lesley put her first two woods on the jack limiting Jan to a weighted shot to have any chance of a result. Despite a gallant effort from Jan, Lesley hung on to her two shots to pick up the title by the narrowest margin possible.

## Men's Handicapped Singles:

PAUL POMEROY 23; BARRY RATTENBURY 13. This was always going to be a battle, Skip Paul playing his number 3 Barry from the Championship League.

For many ends this was a tied battle with no indication where the trophy might be heading. One small lack of concentration from Barry and he's dropped a four! You don't play Paul and drop a four and live to tell the tale.

Paul saw his chance and gained in confidence with every end wrapping up what in the end was a comfortable win.

## Ladies Championship Singles:

VAL COZENS 21; ANN ALLMAN 13. With new woods, which she hates, Val is transformed this season. She showed no mercy as she cruised to a 20-10 lead over

■ CLOSE MATCH: Lesley Broom (right) defeated Jan Parsons 21-20 in the Fillies Competition Final.

Ann, but as so often is the case that last point didn't come easily. Ann picked up a two, then a single and seemed to be getting the upper hand. But Val kept her nerve and picked up the single she needed to make her Ladies Singles Champion, a title she has held in the past but not for a long time. Just goes to show you write anyone off at your peril.

## Men's Championship Singles:

CHARLIE BARBER 21; DON MEYLAN 14. This was another skip v number three confrontation and, again, it was the skip who prevailed.

Charlie quickly slotted into his drawing game and for a while Don did not 'turn up' for this encounter. Charlie started to gain a comfortable lead whilst Don found it difficult to find either line or length, even his weight shots were letting him down.

He then found some resolve and got back to within two shots of Charlie, at which point I'm wondering if Charlie was thinking 'here we go again'!

Charlie stuck to his guns and his drawing game, his undoubted forte, and went on to take the title with some ease. I trust I didn't jeopardise Don's chances by stating a few weeks ago that he was going to be hard to beat. Sorry Don!

We owe a debt of gratitude to those who gave up their time to man the kitchen and the bar.

As I write this I am looking out the window at pouring rain. The competitions finished less than 2 hours ago, weren't we lucky.

I trust the account of these matches is fairly accurate, it's difficult to watch four games at once so a lot of info comes second-hand. I even got to play in one final myself, when I would like to think the only game I was watching was my o

## FA cup exit for Bees after defensive errors

## Watkins double gives Magpies the blues

**SUTTON UNITED 3 DORCHESTER TOWN 1 (ATT: 645)**  
DORCHESTER Town suffered their fourth Blue Square South defeat of the season after taking a first-half lead at Gander Green Lane on Saturday.

Although Sutton United equalised almost immediately they looked set for a point before a double substitution by the U's early in the second-half turned the game.

Dorchester welcomed back Gary Bowles to the side following a five match suspension. The defender, now an AFC player on-loan following his recent transfer, replaced Mark Jermyn alongside Nathan Walker in the centre of defence, allowing the skipper to resume his normal midfield duties.

Dorchester buoyed by the win at Truro on Bank Holiday Monday were positive from the start and Ben Dickenson should have perhaps scored his first competitive goal for the club in the ninth minute when he headed a cross from Nick Crittenden, restored to the team, over the bar when well placed. Ashley Nichols then fired over the top, before the Magpies took a deserved lead when Kyle Critchell reacted first to turn Chris Flood's low corner in at the near post, after U's gloveman Kevin Scriven had pushed Crittenden's shot behind.

Unfortunately Dorchester were unable to hold on to their lead, as four minutes later the game was level with a gift of a goal; Alan Bray taking the opportunity to head home after Dorchester's defence was slow to react to a ball that hung in the air from a deflection.

Ryan Moss almost restored the visitor's advantage just before the break, but Scriven produced a superb save to tip his glancing header over the crossbar.

The game changed however with the injection of pace into the U's forward line with the introduction of substitutes Romone McCrae and Craig Watkins on 56 minutes. Within seconds McCrae set up what should have been a goal for Tony Taggart, but soon after Sutton took the lead when Watkins timed his run perfectly to Bray's through pass to outrun the Magpies defenders and race clear before shooting past the advancing Evans.

Scriven denied Moss a second time with another fantastic save as Dorchester went looking for the equaliser.

Gleeson replaced Flood and with 13 minutes left manager Ashley Vickers resorted to a back three, replacing Bowles with Ryan Dovell, but with the visitors committed, the speed of Watkins proved vital with five minutes remaining.

Nichols lost out in a tackle to Anthony Riviere and the ball broke for Watkins who again showed the Dorchester defence a clean pair of heels to race on and slot the ball in the corner of Simon Evans' net.

## Subdued Terras miss chance

**WEYMOUTH 2 EVESHAM UNITED 2 (ATT: 446)**

WEYMOUTH produced an inept display as they fought out a tepid draw with fellow strugglers Evesham United at The Bob Lucas Stadium on Saturday, all of the goals the result of error or poor defending.

After falling behind, they fought back to lead by the break, but in a second half dominated by the visitors they conceded an equalising goal and missed out on the chance of three valuable points.

Manager Brendon King was dealt a blow just before kick off when Ron Wolleaston had to be replaced by Richard Marshallsay.

The former Chelsea midfielder had been ill overnight with sickness and diarrhoea and after taking part in the warm up decided to withdraw.

King included Mark Peters, the 39-year-old former St Albans player/assistant manager who joined the Terras on non-contract terms on Friday; the defender playing alongside captain Ben Gerring and Sam Poole in a 3-5-2 formation.

Neither side appeared able to put two passes together in the opening minutes and it was perhaps synonymous of the game that it was an awful blunder by Stephen Reed that saw the first goalmouth action and gifted the visitors their first goal on 16 minutes.

Josh Quaynor was rightly penalised for a foul close to the corner flag on the right side of goal and duly formed the one-man wall to block Reed's proposed inswinging left foot kick. Although the Robin's player was not stood the full 10-yards from the ball, Reed's kick never really got off the ground and struck Quaynor on the shoulder.

He reacted quickest and played a diagonal ball into the centre circle where Kevin Spencer was too quick for Peters and poked the ball past him. The tall midfielder then drove down the right wing before cutting the ball across the goalmouth from the byeline to give Marcus Palmer the easiest of tap-ins at the far post.

Three minutes later the Terras could have been two down when left wing back Jamie Hyde in acres of space ran to the byeline before cutting the ball back for Palmer, but he couldn't get enough on it and gave Nick Jordan an easy save.

Poole was book for a clumsy tackle on Spencer on the half hour, before the Weymouth defence were caught out by a ball played through the middle a minute later. The

whole home defence including Jordan, who stood rooted on his 6-yard-line, appealed for offside as Palmer ran on unopposed but fortunately the striker somehow poked his shot just the wrong side of the right hand post.

Weymouth equalised on 34 minutes with what was also their first foray on goal. Warren Byerley who had a quiet game by his standards flicked on a ball to Marshallsay whose 16-yard volley was brilliantly beaten away by Robins keeper Dave Adey for a corner.

A defender headed Reed's corner away to the angle of the penalty box where Spencer inexplicably barged into the back of Gerring as he went to recover the ball to concede a penalty. Byerley despatched the spot kick with aplomb.

This lifted the Terras and two minutes later they took the lead following another corner, conceded when Matt Groves attempted cross rebounded off Andy Jones' face. This time Marshallsay rose at the far post to head home powerfully from close-in.

A minute before the break Marshallsay was booked for a late tackle, and as the teams left the field both Robins skipper Wayne Daniel and Spencer were booked by referee Andrew Turner, the latter it would appear complaining about the penalty decision.

Evesham despite being a poor side themselves came out with a bit more purpose after the interval, and they should have equalised seven minutes in when the Weymouth defence failed to pick up Spencer as he ran unchallenged to meet Simon Fitter's free kick from the left touchline. Fortunately he failed to get a touch on what was a free header at goal from six-yards.

However four minutes later they did not miss with another gift; the unmarked Jones thundering home a header from Fitter's corner kick from close range to square the scores.

Soon after Byerley jinked his way to the byeline but his dink was just too high for the onrushing Groves and Marshallsay.

The equaliser had lifted Evesham though, and they began running the show after this, and had enough chances to have taken all three points as Weymouth wilted.

Daniel had a header blocked on the line from Fitter's corner, and another of his flag kicks passed right across the goal with no one on hand to get the vital touch, before Jordan produced a top drawer save, blocking Craig Wilding's effort from close range after Quaynor had been allowed to run in the box and set him up.

The last ten minutes saw both sides withdraw and hang on to their point. Weymouth will be thankful to have held on to one, whilst Evesham will have realised despite their second half superiority it was a good point away from home against a fellow struggler.

This really was a game that Weymouth could and need to win if they are to make progress up the table.

*A minute's applause was held before the match as a mark of respect for Spencer Bates, a follower of the Terras who sadly passed away on Wednesday. Spencer raised over £40,000 in aid of Motor-Neurone Disease. His eight-year-old son Samuel bravely acted as mascot for the game and joined the applause in memory of his father.*

## Bees blitzed at Wells

**WELLS CITY 6 BRIDPORT 2 (ATT: 115)**

BRIDPORT tumbled to their second Toolstation Western League Premier Division defeat of the season when Wells City hit them for six, although the loss was not as bad as the score suggests.

The Bees went in level at the break having twice taken the lead, before the hosts cracked home four without reply in the second-half.

In an exciting first-half where both sets of forwards were on top, Bridport took the lead when Sam Charles pounced to score after the home keeper Owen Dunn could not hold Tom Richardson's shot from the edge of the box.

Steve Murray equalised five minutes later, before Russell Legg put a good ball in behind the full-back and Richardson set up Sam Charles for his second. Ross McElrath restored parity just before the break with a chip into the top corner of Jamie Fry's goal.

Senior would have been pleased with his sides performance but would have been looking for his charges to keep a tight ship after the break, but Adam Jones ruined their plan within a minute; turning sharply in the box and firing home after Legg had blocked a cross.

Murray added a fourth and his second with a shot from an acute angle, before sub Jamie Gowers collected the ball on the edge of the box to beat Fry with a powerful shot. Murray completed the rout from the penalty spot after Shane Evans had fouled the striker.

## FA Cup exit as Bees gift goals

**HORNEDEAN 3 BRIDPORT 1 (ATT: 100)**

BRIDPORT crashed out of the FA Cup at the Preliminary Qualifying Round after gifting their Wessex League Premier opponents all three goals. Despite creating a number of good goalscoring opportunities at Five Head Park, Bridport failed to take them, and paid the penalty.

■ CLOSE: Weymouth skipper Ben Gerring just misses out watched by Warren Byerley (10) and Matt Groves as Evesham United captain Wayne Daniels heads a corner clear. Photo by STUART BROOM.

Playing up the slope in the first-half, Bridport had a scare on five minutes when Horndean skipper Tom Chapman's looping header struck the far post, but two minutes later they fell behind when Chris Senior missed the ball in trying to head keeper Simon Howard's punt back to his 'keeper Jamie Fry.

This allowed Gary Austin to run in behind and beat Fry with a vicious shot.

Senior almost made amends when his goalbound shot was deflected for a corner before Fry saved well from Austin.

Nathan Paxton doubled the hosts lead just before the half hour when he intercepted Adam Symes' under hit back pass to shoot past Fry.

Bridport finally picked up their game and Shane Evans brought them back into the game with a fine goal; drilling a chest high volley from Dan Wise's corner through a crowded goalmouth from the edge of the box.

Brian McKie almost restored the hosts two goal advantage when he hit the post before Howard had to save Matt Condliffe's shot with his feet after the wingback had cut into the box.

Playing down the slope after the break Bridport enjoyed a 15 minute spell of supremacy, but Horndean packed their defence and although Senior and Darren Watts went close, Bridport in the main had to rely on long range efforts.

Horndean knew how to play the sloping pitch and were dangerous on the break; Fry having to produce a good save to turn Austin's deflected shot away for a corner.

Trevor Senior gambled by switching to a back three and sending son Chris forward in an attempt to get an equaliser, and Wise came close when Howard did well to tip his swerving 25-yard shot over the bar.

It was the unfortunate Wise who made the error that put the game beyond Bridport in the final minutes. Caught in two minds to clear the ball or play it, he slipped, and McKie took advantage to race through and beat Fry with aplomb.

## Bees get revenge in 13 goal thriller

**BRIDPORT RESERVES 8 HOLT UNITED 5**

BRIDPORT reserves gained revenge for their recent league defeat by Holt United and inflict the East Dorset side's first loss of the season.

Joint manager Steve Crabb was disappointed that his side had lost 3-1 in the league meeting three weeks earlier which he felt the Bees should have won, and so was understandably pleased with this Magna Dorset Premier League Cup result.

"The score suggests that it was much closer than it was and that both defences were poor; that's not strictly true. We were leading 8-2 with 15 minutes to go, but having used our one sub and with Dan Peart and Jamie Morgan both carrying injuries they came back to score three times in the last 10 minutes which is disappointing and is an unfair reflection of how much better we were than them."

It was a good day for the Clarke brothers, with Ben notching a hat-trick and Ash grabbing a brace as Bridport cruised into a three goal lead inside the first-half with Darren Lock's goal sandwiched between one each from the brothers.

The visitors reduced the arrears just before the break.

Crabb added: "We hadn't played particularly well in the first half but still had a good lead, but we picked it up in the second half and played really well."

Ben Clarke completed his hat-trick with two quick goals soon after the restart before both sides swapped penalties with Ash Clarke converting for Bridport to make the score 6-2.

Tristan Gale and Morgan then got on the score sheet before Holt's late flurry whose scorers were Dave Perry (3) and Peter Richmond-Cole (2).

The win completed a good eight days for the Bees who followed up their league win over Blandford United with a creditable 3-1 victory over Weymouth Reserves at St Mary's Field.

## BRIDPORT RESERVES 3 WEYMOUTH RESERVES 1

MANAGER Steve Crabb was pleased with his team's performance over a slightly strengthened Weymouth side.

After a goalless first-half Adam Steele put Bridport ahead after good work by Tristan Gale had set him up, but Simon Crouch levelled the scores for Weymouth with a volley.

However it was sub Jamie Morgan, making a comeback to football after a couple of season out, who clinched the points for Bridport with a brace.

Crabb said: "It was a good team performance but Tristan was outstanding, setting up two of the goals by getting around the back of the defence, and Sam Day was also in excellent form."

"It was good to see Jamie score as well. He is getting back to fitness after being out for a couple of seasons, and once fit will be one to watch."

## INSIDE: Sayers injury blow for Netherbury

# Senior confident despite recent setbacks

BRIDPORT manager Trevor Senior shrugged aside the thought of a crisis at St Mary's Field following back to back defeats in the league and cup that has seen his side ship nine goals.

"Despite the two defeats and the fact we are currently third from bottom in the league, I am confident we have enough talent to finish mid-table."

Senior saw his side concede four second half goals at Wells City last Tuesday in their Toolstation Western League Premier Division game after going in 2-2 at the break, and then watched as his normally reliable defence gifted Horndean all three goals in their FA Cup Preliminary Round match 3-1 defeat on Saturday.

Reflecting on the Wells City match he said: "Against Wells we played some good football, and we played very well in the first half. It was end-to-end stuff and could have been 5-5 at the break."

"Unfortunately we conceded early in the second half when Russell Legg blocked a shot that dropped at the feet of one of their players. We didn't play quite as well after the break, and 6-2 on paper doesn't look good, but there were

By STUART BROOM

some good things to take from the match particularly in the first-half. I thought Wells looked livelier than Larkhall who are the reigning champions."

Turning to Saturday's 3-1 defeat at Wessex Premier side Horndean, Senior said: "We gave them

**"We have to realise that we got away with some things last season because the opposition were not as good..."**

all three goals and you can't do that at this level.

"We have to realise that we got away with some things last season because the opposition were not as good, but we haven't turned into a bad side overnight and I am sure we will be okay, but we need to be on the top of our game from the start."

"Horndean are a decent side, and played exactly to the report I was given on them, and did it well."

We were told they would play down the slope in the first-half if they could and establish a lead and then make it difficult for us in the second period by packing their defence; and that's exactly what they did.

They rode their luck at times, but in the end we can have no complaints; they are a decent side and on the day deserved to win."

Bridport whose defence was one of the meanest in the First Division last season have now conceded 12 goals in their last three games.

"Probably eight of them are through our own mistakes, and we obviously need to address that. However the defence is essentially the same one that did so well last year, and I have no worries that once we settle down we will be okay."

"We have had the problem of Sam Filkins having been injured, but saying that both Jamie Fry and Lee Cleal have both done well."

"Up front Sam (Charles) and Tom (Richardson) are a new pairing, and although they haven't had much time together because of injury and unavailability, they have looked good when playing in tandem and that will develop."
